### **Sec. 9-91A. - Declaration of policy.**

There exists within the City of Hartford a large number of properties which are vacant and in blighted condition. The existence of vacant and blighted properties contributes to the overall decline of neighborhoods, which, in turn, affects the health, safety, welfare and economic well-being of Hartford's residents. Many of the vacant and blighted properties can be rehabilitated, reconstructed, demolished and/or reused so as to provide decent, safe, and sanitary housing and commercial facilities. Such rehabilitation, reconstruction, demolition and/or reuse will eliminate, remedy, and prevent the adverse conditions described above while increasing revenue to the City of Hartford.

(Ord. No. 28-09, 7-13-09)

## **Sec. 9-92. - Creating or maintaining blighted premises prohibited.**

No owner of any building in the City of Hartford shall allow, create, maintain or permit the continuance of any blighted premises as defined in [section 9-91](#).

(Ord. No. 28-09, 7-13-09)

## **Sec. 9-93. - Applicability of article; exemptions.**

There shall be no exemptions to the applicability of this article.

(Ord. No. 28-09, 7-13-09)

## **Sec. 9-94. - Enforcement.**

- (a) *Complaint of violation.* Any individual affected by the action or inaction of an owner of a dwelling unit or other space subject to the provisions of this article, any civic organization, and any appropriate municipal agency may file in writing a complaint of violation of this article with the division of licenses and inspections.
- (b) *Notice of violation; order to correct; time limit for compliance.* If the Head of Licenses and Inspections acting himself or by an appropriate inspector or through an inspector or inspectors from any other departments or agencies the Director of Licenses and Inspection deems appropriate, has reasons to believe, pursuant to an inspection of the premises, that an owner has violated the provisions of this article by allowing, creating, maintaining or permitting the continuance of blighted premises as defined in [section 9-91](#), the Director or Inspector shall serve a notice of violation and an order to correct such violation to the owner of record of the property by first class and certified mail. Each of the conditions that define blighted premises and exist on the premises in question shall be a separate violation of this article and, along with each other violation of the other sections of the Municipal Code, shall be enforced as provided herein. If the owner's address is the same as the property where the violation has occurred then a copy of the notice of violation and order to correct may be posted on the property at the time the violation is noted. The notice requirements of this section shall be deemed satisfied upon: (1) in the case of certified mail upon receipt by the City of either a signed confirmation of delivery or the entire letter returned as non-deliverable, or (2) in the case of the owner's address being the same as the address of the property where the violation has occurred, upon leaving a copy of the notice of violation and order to correct at the property at the time the violations are noted. The order shall require the owner to comply with the requirements of this article in the manner specified in the order within thirty (30) days of receipt of the notice. A copy of the order shall be filed with the town clerk, and any subsequent purchaser of the property shall be subject to such order.
- (c) *Failure to correct deficiencies.* If an owner of property has been served with a notice of violation and order to correct deficiencies, and has failed to do so within thirty (30) days as determined upon subsequent inspection, then the owner shall be presumed to be in violation of this article for every day thereafter until the owner submits appropriate evidence that the violations have been corrected. At this time the Division of Licenses and Inspection shall cause the owner to be fined one hundred dollars (\$100.00) per day, for each separate blighting condition as described in the definition of blighted premises and each other violation of the Municipal Code that persists beyond thirty (30) days from the effective date of the order until the owner presents appropriate evidence that the cited violations have been corrected and the premises have been re-inspected.
- (d) Should an owner fail to pay, within forty-five (45) days, a fine levied pursuant to this article, a

one (1) percent interest charge shall be applied to the outstanding balance. The interest shall accrue along with the fines and shall be compounded daily. Failure to pay any fee or fine arising from the enforcement of this article shall constitute a debt in favor of the City and shall constitute a lien upon the real estate against which the fee was imposed from the original date of such fee. Each such lien may be continued, recorded and released in the manner provided by the Connecticut General Statutes for continuing, recording and releasing property tax liens. Each such lien shall take precedence over all other liens and encumbrances filed after the effective date of this article to the fullest extent permitted by law, except taxes, and may be enforced in the same manner as property tax liens. In addition to placing a lien against the property for failure to pay any fee arising from the enforcement of this article, the City may bring civil action against the debtor in a court of competent jurisdiction to recover such debt.

(e) *Anti-Blight Special Fund.*

- (1) All monies collected by the City as fees and fines for violation (s) of this article, Anti-Blight program, shall be deposited into a special fund. This special fund shall be called the Anti-Blight Special Fund. The purpose of this fund is to provide a source of funds to be used for all associated costs in securing, remediating, remedying and enforcing the Anti-Blight Program. This special fund shall be administered by the Director of Development Services.
- (2) *Revolving Fund.* The account shall be a permanent revolving account and shall not lapse at the end of the fiscal year. All the monies and interests deposited in the Anti-Blight Special Fund shall not be transferred, appropriated, or deposited in the general fund or any other fund. All monies in this revolving fund shall be used exclusively for the purposes of the Anti-Blight Program as set forth herein.
- (3) *Fines, Violations and Liens.* Any fines, penalties or liens placed on any property in violation of the Anti-Blight Program which have been assessed and collected from a foreclosure, sale, or judicial settlement and have become due and payable to the City of Hartford, shall be deposited in the Anti-Blight Special Fund.

(f) *Appeal for relief of citation.* Any owner who is aggrieved as a result of being served with citation in accordance with this article may, within ten (10) days of receipt of the citation to a citation, appeal in writing for relief from the citation hearing officer in accordance with sections [1-5](#) of the Code, and [section 9-95](#), herein.

(Ord. No. 28-09, 7-13-09; Ord. No. 51-11, 11-28-11)

## **Sec. 9-95. - Citation hearing officer; appointments; appeals.**

The Corporation Counsel shall appoint individuals to hear appeals concerning the issuance of anti-blight citations pursuant to the provisions of [section 1-5](#) of the Municipal Code. The City Council may make recommendations to the Corporation Counsel concerning the individuals to be appointed to serve as citation hearing officers. The individuals appointed to serve as citation hearing officers shall serve for a term of up to one (1) year or until a successor is appointed. All citation hearing officer appointees shall have backgrounds in law and/or issues relating to housing. Each hearing officer appointed pursuant to this section shall hear appeals and make decisions thereon separate and apart from all the other hearing officers appointed by the Corporation Counsel to hear anti-blight appeals. In deciding to appoint an individual as a citation hearing officer under this section, the Corporation Counsel shall give preference first to City residents and second to those with a place of business in the City and students attending a law school located in the City. Individuals appointed as citation hearing officers under this section shall serve at the pleasure of the Corporation Counsel.

- (1) An owner may appeal for relief of each citation issued pursuant to [section 9-94](#) to a citation hearing officer in accordance with the provisions of [section 1-5](#) of the Municipal

Code. Relief must be requested in writing within ten (10) days of the owner's receipt of the citation. Relief may be granted if the owner can establish to the hearing officer's satisfaction that:

- a. The owner cited was not the owner of record of the property at the time the notice of violation and order to correct was issued; or
  - b. Notice of the violation was not properly served upon the owner of record in accordance with subsection [9-94\(b\)](#); or
  - c. The notice of violation was not in proper form; e.g., informed the owner of the section of the Municipal Code being cited for, gave owner sufficient time to cure violation, etc.; or
  - d. The notice of citation was not properly served to the owner of record in accordance with subsection [9-94\(c\)](#); or
  - e. The notice of citation was not in proper form; e.g., failed to contain the amount of the penalty incurred under subsection [9-94\(c\)](#), informed the owner of the right to appeal, etc.; or
  - f. The director incorrectly determined that the violations cited were not corrected within the thirty-day period as required by subsection [9-94\(c\)](#); or
  - g. The dwelling units or other spaces are actively undergoing repairs that are required to be made to correct violations of state or local codes; or
  - h. The owner has in good faith corrected all cited violations and it would work a substantial economic hardship on the owner of the dwelling unit or building to require further payment of fines in compliance with this article; or
  - i. The owner has in good faith attempted to rent the dwelling unit or other space for the sixty-day period as described in the definition of extended vacancy but has been unable to do so. To establish good faith, the owner must demonstrate that all reasonable steps have been taken to advertise the availability of the space in a manner that is designed to and will have the effect of reaching that segment of the City's population that includes potential tenants, and that the rent asked for is not excessive based on the rents charged for other housing accommodations in the neighborhood or adjacent neighborhoods that have:
    - i) The same number of rooms;
    - ii) The same number of bathtubs or showers, flush water closets, kitchen sinks, and lavatory basins;
    - iii) The same number of bedrooms;
    - iv) Similar services, furniture, furnishings, and equipment supplied; and
    - v) Similar amenities provided.
- (2) Full documentation, such as code violation reports, engineering reports and any other information deemed necessary by the hearing officer shall be provided by the owner.
- (3) It is the responsibility of the owner of the premises to have a valid address filed with the City pursuant to [Section 9-18](#), and failure to provide such an address shall not constitute a reason for relief of the payment of penalties.

### **Sec. 9-96. - Chief operating officer's report; hearing.**

  - (2) The efforts undertaken by the City to eliminate the blighting condition, such as clearing the premises of debris or barricading the structures on the premises, and that such actions were unsuccessful;
  - (3) That either (a) the owner of the premises cannot or will not eliminate the blighted condition, or (b) the owner has not responded to a lawful order by the City to take action to eliminate the blighted condition within thirty (30) days after due notice of the request or order has been served by means set forth in subsection 9-94(b) used to notify property owners of violations of the housing code and orders to comply with the provisions of the housing code.
  - (4) The circumstances existing on the premises and in the neighborhood which, in the Chief Operating Officer's opinion, make it necessary for the council to take action in order to eliminate the conditions of blight on the premises;
- (b) At the regular meeting at which the Council receives the report from the Chief Operating Officer, the Council shall set a date no later than thirty (30) days thereafter at which time a public hearing shall be held in regard to the existence of blighting conditions on the named premises, except that no public hearing shall be held on those properties which are the subject of a pending section 1-5 hearing.
- (c) At the public hearing the report of the Chief Operating Officer shall be treated as prima facie evidence of blight on the premises.

*(Ord. No. 28-09, 7-13-09)*

### **Sec. 9-97. - Determination by council.**

Upon completion of the public hearing the Court of Common Council shall, within thirty (30) days, consider the Chief Operating Officer's report and make recommendations to the Chief Operating Officer as to the disposition of those properties, which disposition may include the option to purchase. The Director of the Department of Development Services is authorized to take the necessary steps to acquire any properties covered by the provisions of this article and which have been certified by the building official to be abandoned pursuant to the Urban Homesteading Act, G.S. § 8-169(o), et seq., as it may be amended from time to time. The Director of the Department of Development Services is further authorized to take necessary steps to acquire any properties covered by the provisions of this article, provided there are funds available, using other state and federal means as they may be available.

The Director shall designate the materials and procedures to be used to comply with such order. The Director shall order all property owners of vacant, abandoned or occupied buildings to paint all boards of raw plywood or other similar materials used to cover all doors, windows or other areas, with a color which matches the color of the building. If the owner of the building fails, neglects or refuses to comply properly with the terms of the order issued pursuant to this section by the Director of Licenses and Inspections, the Director may cause the required work to be performed by City staff or an independent contractor; the Director of Licenses and Inspection is not obligated to

At the time of registration such owners shall also schedule a time for an inspection within fifteen days (15) of such registration by the Department of Licenses and Inspections and any other departments or agencies the Director of Licenses and Inspections deems appropriate. For purposes of this section a vacant building shall be considered a building that is experiencing an extended vacancy as defined in this article. This registration shall be made through a form provided by the City of Hartford and shall include a list of a contact person or persons responsible for the maintenance and repair of the property. This form shall contain the current telephone numbers and addresses of all contact persons.
