LISA F. DZIS : SUPERIOR COURT  
V : HARTFORD/NEW BRITAIN  
CITY OF HARTFORD : SEPTEMBER 21, 2012

**MOTION FOR SUMMARY JUDGMENT**

The petitioner hereby moves pursuant to Practice Book § 17-49 that summary judgment be rendered forthwith in her favor. In support of her motion, the petitioner states

1. That admissions of the respondent reveal a pattern of selective and seemingly arbitrary enforcement on the part of the City of Hartford that singled the petitioner out for harshly punitive measures in a manner proscribed, as a matter of law, by the constitution of this state and the Constitution of the United States .

2. That there is no genuine issue as to any material fact, viewing the evidence in the light most favorable to the respondent.

Wherefore, the petitioner moves that judgment enter in her favor.

Respectfully submitted,
